

Dear Students and Parents,

Please see attached information regarding our annual demonstration day on Sunday 1st August at Woollooware High School.

This event is not a concert but a demonstration of your child's class work. The children will display on stage the class work that they have been working on throughout the year. They will be presented with an award at the Presentation for their participation and hard work.

Each child has given a large amount of time and energy throughout this year and they should be very proud of themselves. Many of the children have been given challenging new work and in some cases more advanced steps than they have been used too, so as they have given 110% effort, I am sure they would love to showcase their hard work. This will be a wonderful opportunity for parents, grandparents, family and friends to come and watch what each child has been working towards for the first half of the year.

It is important for all children to take part in this day for the day to go smoothly and not to disrupt class orders etc. There is a small fee of \$7.00 per child which will cover the cost of the certificate, judge and a little of the hire of the hall and will be placed on your next invoice.

**If your child is unable to attend the demonstration day it is VERY IMPORTANT that you notify me ASAP as I will need to rearrange class orders etc.**

Below I have listed information you will need to know for Demonstration day, I will keep you updated on any further information as we get closer to the date.

Students may like to wear light make up for this event and hair will need to be in a low ponytail with a part on the child's right side of the head. Please make sure you use hair spray or gel and there are no fringes or wispy hair.

I am going to update my website with information regularly so please keep an eye on the following website [www.inspirationdance.com](http://www.inspirationdance.com)
